

2020 ISAAC BRUCE FOUNDATION FLIGHT 300 PROGRAM

Please note this is NOT a college scholarship program! The Flight 300 Program provides one-way transportation to college for students in need.

Isaac launched the Isaac Bruce Foundation in 2006 which focuses on health, wellness, nutrition, fitness and education. Through his foundation, Isaac reaches out to youth and teaches them at an early age the importance of a healthy lifestyle with an emphasis on education.

The Isaac Bruce Foundation's Flight 300 Program provides transportation to college bound students in need. When Isaac graduated high school, he had a scholarship to a junior college in California, but he needed to find a way to get there. He was provided money for a flight and now wants to be able to make that difference for students in need. The IBF will provide a flight, bus fare, and/or cab fare in order to get the student from their home to campus. Recommendations from school guidance counselors will be relied on in choosing the recipients.
